Now then, let's go over which ships will be sortieing today.
Roger!
Carrier Kaga.
Carrier Akagi.
Battleship Kongou.
Light Cruiser Tenryuu.
Destroyer Yukikaze.

Battleship... Kiyoshimo.
I'm ready to go -!!
BATTLESHIP KIYOSHIMO
Completed Fleet Girls Collection Type Comic Comic Anthology
Maizuru Naval District No.8
by Katou Tabihito
The Abyssal ships we've encountered lately have all been formidable opponents.
Everyone, as I'm sure you're all aware...

Due to the current strength of the enemy, our base is in a rough position.
Poi!
Which is why HQ has gotten in touch and provided us with the means to remodel and fortify ourselves.

BATTLESHIP!?
This time, we're going to remodel a battleship to become even stronger.

REMODEL BLUEPRINT
Which brings me to this: blueprints for a new remodel.

What's the matter, Kaga?

Well... The ship to be re-modeled is...

Des-troyer...
Kiyo-shimo.
EH!?
And so...
My dream became reality.
In a way I never saw coming,

As a battleship, I got to do all sorts of exciting things one after another.
FIRE-!!

I did it! Battleships can do aaanything!!
...Did she just launch a torpedo over the horizon?
Her modifications were very extensive...

Says the kid who screwed up announcing the time yesterday.
But she always brings results in battle.
I'll probably get a battleship kai 2 soon enough!
Now that I've become a battleship, don't you think I'm a little too perfect?
Fufu fu...
Though she doesn't seem fully used to her new equipment...

Ah! Good morning, Kiyoshimo!
GAHH!
Wow
Yeah! I'm glad I get to be more useful like you, Kongou-san!
Ah! Kiyoshimo-san! There's a message for you from the Admiral!
Well, just don't get all nervous like you did as a destroyer, haha-!
Kongou-san!
I'm just glad your dream came true, Kiyoshimo!

This is a very important battle, Kiyoshimo-san! I'll be rooting for you!
"Battleship Kiyoshimo will act as flagship and leader in our next operation.
"Ferocious assault on the deepest seas!" is what he said.
DON'T GIVE UP ON YOURSELF ALREADY!!
...Wh-Whaddo I do?
If she were in this situation,
What would Musashi-san do?
...I tried preparing myself for becoming a battleship,
But I never thought I'd ever be responsible for leading the whole fleet...

...
Ahh, that's right.
HEY ~!
Kiyo-shimo!
A battle-ship in this situa-tion...
You just gotta relax, dess!
Would laugh in the face of danger.
And that's why...
O...
Okay!
Battle-ships are the coolest.
Akagi, medium dam-age!
This time, I have to be the one...
Who pro-tects every-one here!

HIYAAAAAHH!!
AH.
KI-KIYO-SHI-MO!!?
...Why did their flag-ship just take a shell for that girl...?
GYAH-!
Beats me...?

Ughh?
When I came to, I was in the docks.
KIYOSHIMO
□□:□□
Ah! She's awake, nano-desu!
Gyyy-!
Somehow, our remaining forces managed to mop up the rest and come back home.
Akagi-san and Kongou-san were careful about expressing their thanks to me.
Thank you very much for saving me!
However, we cannot allow ourselves to become conceited!
But it was thanks to Kiyoshimo that you got saved, Akagi-!
Are you feeling better, Kiyoshimo?
Ah, Kaga-san!
I really am super sorry! From now on, I'll try even harder to act more like a battle-
That's what I'm here to talk about.
Resupplying
If nothing else, you've got the stomach of a battleship...
Ughh... I'm so sorry... My shame runs deeper than the Sibuyan Sea...
If you're full with shame, then quit stuffing your face.

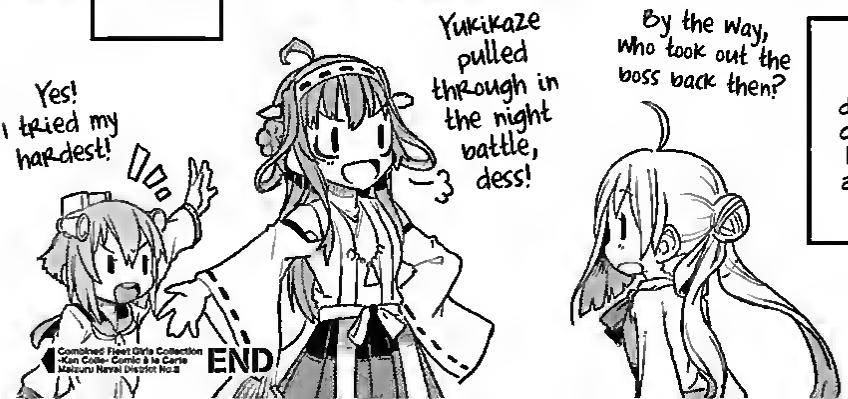
Kiyo-shimo will be reverted to a des-troyer.

KIYO SHI MO-!!
GYAAH-!!
And thanks to that, I became a des-troyer again.

About that blueprint I gave you...
It seems that HQ filled out the forms in-correctly... And so...

C'mon, let's go on an ex-pedi-tion!
There's more to being a battleship than the equipment. You have to be ready for any situation.
Yeaaah!
Nanodesu!
It's been a while since I wore destroyer equip-ment...
But there's something I learned while I was a battle-ship.

I think I need to try even harder.
In order to prepare for when I get to be a battleship again,



Yes! I tried my hardest!
Yukikaze pulled through in the night battle, dess!
By the way, who took out the boss back then?
Because even a destroyer can be as brave as a battle-ship.
